What happens if it rains?
The markets will take place regardless of the weather. No refunds will be provided.

Can I request where my stall is?
Preferences can be submitted in the application form, we will endeavour to place you into your preferred location, however site allocation is at the discretion of Local Village Markets.

Do I have to attend the site visit in the week prior to the event?
Yes, we require all stalls to collect event information, visit their site and have the chance to ask questions prior to the event, this is mandatory. Site visit dates will be confirmed, closer to the event date.
